### FEES

#### Enrollment Fee

Enrollment fees are required of all students. Enrollment fees and refunds vary based upon residency, non-resident, and/or non-citizen status. Please see the 2006-2007 fees listed on page 27.

#### Online Registration Access Fee

The registration fee is required of all students who register using WebAdvisor. The fee is non-refundable except for students who do not access online registration services and submit a refund request to the Cashier's Office.

#### Student Activity Fee/Student ID Card

Every student is encouraged to support the optional, non-refundable Activity Fee supporting co-curricular activities and student events (\$5.00 per semester for Fall and Spring; \$2.50 for Summer Session). Included in the Student Activity Fee is the ability to receive a Student ID card. The Student ID card entitles students to a number of benefits including free or discounted admission to College and ASOC sponsored events; easy library book checkout; reduced rates for events held in the Gary Soren Smith Center for the Fine and Performing Arts; identification for the Reading and Writing Labs; and special discounts in the Ohlone Cafeteria and community. In addition to these discounts students are encouraged to check with symphonies, amusement parks, and theaters about established student discount programs. For a complete list of local merchants participating in the discount program and other ID card benefits visit ASOC in Building 1, Room 1130 or call (510) 659-6063.

#### Health Services Fee

Ohlone College provides health services for students through the Student Health Center located on the Fremont campus. In accordance with state community college regulations, all enrolled students will be charged a Health

Services Fee of \$15.00 for both Fall and Spring semesters and \$12.00 for Summer Session.

The only exemptions for this fee are listed below:

- The Health Services Fee is optional for students taking classes held only on Sunday or only at off-campus locations. Only such students who elect to pay the Health Services Fee will be eligible for health services.
- Students who rely only on prayer for healing in accordance with teachings of a bonafide religious sect, denomination, or organization may seek exemption from the fee and services. To apply for a waiver, students must provide a statement of such reliance from an official of the sect, denomination, or organization to the Office of Admissions and Records at least one week prior to their registration date. Waivers will not be processed after a student has registered and exemptions will not be accepted after the second week of the term.

#### Instructional Materials Fees

In accordance with revised California Administrative Code Title 5, Part VI, sections 59400 through 59408, the policy for requiring students to provide instructional and other materials and establishing the provisions for assessing the students a fee for a credit or non-credit course shall conform to the following guidelines:

- A. The materials shall be tangible personal property that are owned or primarily controlled by an individual student.
- B. The material is of a continuing value to the student outside of the classroom setting and is not wholly consumed, used up, or rendered valueless as it is applied in achieving the required course objectives that are to be accomplished under the supervision of an instructor during class hours.
- C. The material shall not be solely or exclusively available from the District except if it is provided to the student at the District's actual cost, and:
  1. The material is otherwise generally available, but is provided by the District for health and safety reasons, or
  2. The material is provided in lieu of other generally available, but more expensive material that would otherwise be required.

- D. Any materials not meeting these guidelines will be provided by the District to students at no cost to the student.

### Unpaid Financial Obligations

The Ohlone Community College District may through its officers withhold grades, transcripts, and diplomas and may withhold enrollment privileges, or any combination thereof, from any student or returning student who has been provided with written notice (via letter or e-mail) that he or she has failed to pay a proper financial obligation due to the District. Any item or items withheld shall be released when the student satisfactorily meets the financial obligation. This policy is authorized by the California Education Code Section 72237.

Students who do not pay fees or fines or who pay by check or credit card with insufficient funds are subject to a collection fee. Unpaid financial obligations including the collection service fee may be referred to the State of California for deduction of debt from individual tax refunds. ### REFUNDS

Refund dates for Fall and Spring full-term courses are located in the corresponding Class Schedule. Summer courses and non-semester length (e.g. Fast Track) courses are eligible for a 100% refund if dropped before the first 8% of the class time. If any class, in any semester, meets for 12 (twelve) or fewer meetings, students must drop the class before the first meeting to be eligible to request a refund for that class.

The Cashier accepts refund requests for any term after the add period for that term has ended. The refund date is based on the date the Cashier receives the student's complete and accurate Refund Request Form or receives a complete and accurate e-mail request. Up-to-date refund process dates and information and the current Refund Time Table is available online at the Cashier Web page at <http://www.ohlone.edu/org/studentrec>.
