Health Services Fee

Ohlone College provides health services for students through the Student Health Center. In accordance with State Community College regulations, all enrolled students will be charged a Health Services Fee of \$16.00 for both Fall and Spring semesters and \$13.00 for Summer Term.

The only exemptions for this fee are listed below:

- The Health Services Fee is optional for students taking classes held **only** on Sunday or **only** at off-campus locations. Only such students who elect to pay the Health Services Fee will be eligible for health services.
- Students who rely only on prayer for healing in accordance with teachings of a bonafide religious sect, denomination, or organization may seek exemption from the fee and services. To apply for a waiver, students must provide a statement of such reliance from an official of the sect, denomination, or organization to the Student Health Center on the Fremont campus at least **one week prior** to their registration date. Waivers will not be processed after a student has registered and exemptions will not be accepted after the second week of the term.

Instructional Materials Fees

In accordance with revised California Administrative Code Title 5, Part VI, sections 59400 through 59408, the policy for requiring students to provide instructional and other materials and establishing the provisions for assessing the students a fee for a credit or non-credit course shall conform to the following guidelines:

- A. The materials shall be tangible personal property that are owned or primarily controlled by an individual student.
- B. The material is of a continuing value to the student outside of the classroom setting and is not wholly consumed, used up, or rendered valueless as it is applied in achieving the required course objectives that are to be accomplished under the supervision of an instructor during class hours.
- C. The material shall not be solely or exclusively available from the District except if it is provided to the student at the District's actual cost, and:
 1. The material is otherwise generally available, but is provided by the District for health and safety reasons, or
 2. The material is provided in lieu of other generally available, but more expensive material that would otherwise be required.
- D. Any materials not meeting these guidelines will be provided by the District to students at no cost to the student.

REFUNDS

Refund dates for Fall, Spring, and Summer full-term classes are provided in the corresponding Class Schedule. Non-semester length (e.g. Fast Track) courses are eligible for a 100% refund if dropped before the first 8% of the class time. If any class, in any semester, meets for 10 or fewer meetings, students must drop the class before the first meeting to be eligible to request a refund for that class. Students are responsible for dropping a class by the refund deadline in order to be eligible for a refund. Students will be required to pay fees if they drop classes after the refund deadline.

The Cashier accepts refund requests for any term after the add period for that term has ended. The refund date is based on the date the Cashier receives the student's complete and accurate Refund Request Form or receives a complete and accurate e-mail request. Up-to-date refund process dates and information and the current Refund Time Table is available online at the Cashier Web page at <http://www.ohlone.edu/org/studentrec>.

Unpaid Financial Obligations

The Ohlone Community College District may through its officers withhold transcripts, diplomas, and registration privileges, or any combination thereof, from any student who has been provided with written notice (via letter or e-mail) that he or she has failed to pay a proper financial obligation due to the District. Any item or items withheld shall be released when the student satisfactorily meets the financial obligation. This policy is authorized by the California Education Code Section 72237.

Students who do not pay fees or fines or who pay by check or credit card with insufficient funds are subject to an additional 33.3% collection fee based on the financial obligation due. Unpaid financial obligations including the collection service fee may be referred to the State of California for deduction of debt from individual tax refunds. This process includes but is not limited to unpaid library fines; enrollment and class related fees; unpaid short-term loans; and unpaid restitution costs.
