

Ohlone- Microsoft DreamSpark

Microsoft DreamSpark (formerly known as MSDNAA) for Ohlone CS/CAOT/CNET students (Free Microsoft operating and server software)

For all fulltime and part-time CS, CAOT and CNET student are eligible to borrow MSDNAA Microsoft operating and server application programs and development tools that are available through Ohlone and Microsoft DreamSpark alliance.

The steps for a student or students to enroll in the program:

1. **Ask your CS/CNET and CAOT class instructor** to send an email to Chen Hudiono (chudiono@ohlone.edu) the Microsoft DreamSpark software administrator, that contains your name and email address in plain text form, it is better if your instructor can send one email that contains the entire class student's email addresses in plain text format. **Note:** the account valid only for one semester and will expire one week before the final exam.
2. Shortly after your request has been submitted you should receive an auto reply email from Microsoft DreamSpark User Import. This email will contain your user_ID, password and the website link to obtain the software. **Important note: make sure your email address has sufficient disk space, no filter and firewall to block the incoming auto reply email, Microsoft DreamSpark will not resend bounced email. Note: you need to activate your account before you could reserve any software.**
3. To reserve your software for download go to Microsoft DreamSpark website: <http://e5.onthehub.com/WebStore/Welcome.aspx?vsro=8&ws=daa1fde8-d29b-e011-969d-0030487d8897>, logon using the user_ID (your email address) and password is given in the email from Software Center. If your reservation is approved, then you can choose the following: **1) software download, 2) purchased software** (not available for all software titles).
 - a. The easiest if *software download*, it is free and convenient.
 - b. For *software purchase*, you deal directly with Microsoft make your payment online, and the software shipped directly from Microsoft.
4. Use of the software must comply with the Microsoft user agreement. Use of software is **prohibited** for business or any other non-educational activities.

To **download** or **purchase** (if available) the software, please go to or click this link: <http://e5.onthehub.com/WebStore/Welcome.aspx?ws=daa1fde8-d29b-e011-969d-0030487d8897> (***Please use IE browser, other browsers will not work properly***).
