- Elected new treasurer
- Encouraged council members to go to region meetings
- Approved resolution AB656
- Announced his election as Vice Chair

International Program and Service Committee – Andrew Hong

- In the committee, first the committee updates the information about the international student program, study abroad, faculty exchange, visiting delegations and grants. The number of international student enrolls for spring 2010 is 295 from 30 different countries. Compare to last semester, the program grows 25 students. In the international student group, there are 40 ELI (English Learning Institute) students and 16 Egyptian scholarship students. For the study abroad, there will be a spring trip to Indian during the spring break. The committee also update the summer 2010 faculty exchange program. There will be 10-20 faculties sent to sister school in China. Lastly, the grants program plan to receive 8 more deaf Egyptian students. After the updates information, the committee decides to form a subcommittee for exchange. In the end of meeting, we discuss about the increasing population for international student on campus. After look at the population of college grows and compare the national average international student percentage, which is 4% with 2.3% in Ohlone college, the international student program consider about grow the same percentage for the college grows, which is 1.5%.
