FREMONT, CA - The Ohlone Renegade baseball team found out on Sunday that it received the #1 seed in the Northern California regional playoffs and will host the winner of Tuesday's play-in games between #15 San Jose City vs. #18 Marin, and #16 Chabot vs. #17 Shasta. Ohlone will play the highest remaining seed for a best-of-three game series starting on Friday, May 8 at 2:00pm in Fremont.

- Coach Twohig – Head Coach Ohlone College

The Renegades (35-9) capped off their regular season in dramatic fashion as they clinched the Coast Conference –Pacific Division title for the first time in 18 years. Ohlone had won Co-Conference Championships in 1997 and 2002, but not since legendary head coach Paul Moore led the Renegades to the title back in 1991 had another Ohlone team been able to accomplish what the 2009 team did on Thursday.

First year Head Coach Jordon Twohig had this to say about his team. *“I am very proud of the way our team has battled throughout the spring season.” “We took the same approach all year, and that was playing pitch-by pitch baseball and paying attention to detail.”*

The Renegades certainly did that as they were able to stay very consistent throughout the regular season. Ohlone ripped off win streaks of 5, 11, 13 games. They also have won 5-7 games to end the regular season. Ohlone also broke the single season win mark at the college which was previously 34 wins set by Paul Moore and the 2002 Renegades. Looking ahead to the weekend Ohlone will get a chance to host the 1st round of the state playoffs for the first time since the '91 team. *“It really means a great deal to our players and coaches to be able to play in front of our home crowd in Fremont, said Coach Twohig.” The support we have gotten throughout this community this season has been amazing and in a tough economy, the people of Fremont and surrounding communities have really gone above and beyond to help make Ohlone baseball one of the best programs in the state of California.” As a team we feel much honored to represent northern California, and Ohlone College as the #1 seed in the upcoming playoffs.”*
