Run — We play an aggressive, up-tempo style of basketball.

Exposure — We play in the toughest conference in California and are within a 2-hour drive to nine Division I schools.

Nightmare to play against — We constantly pressure the ball, play unselfishly, don’t turn it over, and take high percentage shots.

Experience winning — Ohlone has won over 70 percent of its games under Coach Peterson.

Great location — Ohlone is located in Silicon Valley, with easy access to San Francisco, San Jose, Oakland and the beaches of Santa Cruz.

Academic support for student-athletes — Study table, academic notebooks, academic counselor specifically for athletes, and tutorial sessions will help you transition to the four-year level. 88% graduation rate for two-year players over the past 13 years.

Defense — Ohlone’s pressing defense and match-up zone have held opponents under 62 points per game and are ranked annually in the Top 5 in points allowed.

Enjoy the process — We foster a tight-knit group through the recruitment of quality people and team-building functions.

Share the wealth — Unselfish teammates lead to balanced scoring, and it makes us difficult to defend.
LAST 13 YEARS AT OHLONE

- Overall win/loss record of 277-119 (70%) in the last 13 years, third best in the greater Bay Area (30 teams).

- Five Coast Conference Championships, 11 State Tournament appearances, six Sweet 16s and two appearances in the Elite Eight.

- Consistently among the highest ranked teams in the state and in Northern California. Four different Ohlone teams have held the #1 ranking in the state.

- Best record was 28-4 (2006-2007); worst record was 13-13 (2004-2005).

- Ten years of 20 wins or more since 2000.

- Total of 46 All-Conference selections, four Conference MVP’s, seven All-State selections, and one State Player of the Year.

- Graduation rate of 88% for non-qualifiers who have stayed a minimum of two years (51 of 58). Eighty-four players have moved on to four-year colleges, 76 of them on scholarships. Currently 13 players from this season are on track to graduate and receive a scholarship.

- Twenty former Ohlone players competed at the four-year level during the 2010-2011 season – most in the state.
2012-2013 Season Review

- Finished the year with a record of 21-9.
- Finished with an overall record of 15-12, while starting five freshmen.
- Allowed 61.5 points per game, while averaging 66.5 points offensively.
- Seeded 7th in the State Playoffs. Beat Yuba in the first round, then lost to Merritt in the second round.
- Final State ranking was #18.
- Three players were named to All Coast Conference Team: Mikhael McKinney (1st Team), Lauri Toivonen (1st Team), and Chris Read (1st Team). Mikhael McKinney was 1st Team All State.

2011-2012 Season Review

- Finished with an overall record of 15-12, while starting five freshmen.
- Finished second in the Coast North Conference which had the highest overall win percentage in the state. Final Conference record was 8-4.
- Allowed 61.5 points per game and averaged 66.5 points offensively.
- Seeded 6th in the State Playoffs. Lost to Cosumnes River in the first round.
- Final State ranking was #18.
- Three players were named to All Coast Conference Team: Mikhael McKinney (1st Team), Lauri Toivonen (1st Team), and Chris Read (1st Team). Mikhael McKinney was 1st Team All State.

2010-2011 Season Review

- Finished with an overall record of 16-12.
- Finished fourth in the Coast North Conference which had the highest overall win percentage in the state. Final Conference record was 7-5.
- Finished 15th in the state in team defense, only giving up 66.1 points per game and averaging 70 points offensively.
- Seeded 9th in the State Playoffs. Lost to Reedley in the first round.
- Two players were named to All Coast Conference Team: Lavon Gray (1st Team), Scott Kenny (1st Team).
Head Coach: JOHN PETERSON

- All-time leader in school history in wins, win percentage, conference titles and playoff appearances.
- Five-time Coast Conference North Coach of the Year.
- Just completed his 13th season at Ohlone, Coach Peterson has a record of 266-119 (70%). Became the all-time leader in wins in school history in 2010-2011.
- Led the Renegades to the first five conference championships in school history. The year prior to his arrival, Ohlone won only one league game.
- His teams have won 20+ games in ten of his 13 seasons at Ohlone.
- Spent three years at NCAA Division II Metro State College in Denver. Metro went 87-15, won a National Championship, was National Runner-up, and won three league titles. He worked for two-time NABC National Coach of the Year and former Charlotte Bobcat head coach Mike Dunlap.
- Spent five years at NCAA Division I University of San Francisco, working for both Phil Mathews and Jim Brovelli.
- In 21 years of college coaching, he has been part of 20 winning seasons.
- Married to Susan and has two children, Benjamin (12) and Jordan (9).

</table>
Assistant Coach: JUSTIN CARTER

Justin Carter just completed his 5th season at Ohlone College and 10th at the college level. Carter graduated from Chico State in 2000 with a degree in Recreation Administration in 2000, and continued on for a Masters in Kinesiology in 2006. He spent two years at Holy Names University, where his team won 20 games each season and had six all-league selections. Prior to coming to Ohlone, he spent three years at Chico State University, a member of the CCAA, one of the best Division 2 leagues. While at Chico, his team made one post-season appearance and had three all-league selections.

Assistant Coach: PETE MORALES

Pete Morales just completed his 2nd season as a part-time assistant at Ohlone. Morales played ball at San Lorenzo High School, which he later coached at for six years, and moved onto play at Cal State Hayward. Prior to Ohlone, he worked at Bishop O’Dowd High School in Oakland for 11 years. During his last four years, he was the head coach, and led the team to three HAAL league titles, two NCS championships, and a Nor Cal championship allowing his team to advance to the state championship.

Head Athletic Trainer: JEFF ROBERTS

Jeff Roberts received his Bachelors of Science in Exercise Science with a concentration in Athletic Training from the University of Iowa in 1991, and his Masters of Science in Exercise and Sport Sciences with an emphasis in Athletic Training from the University of Arizona in 1993. He has been a Certified Athletic Trainer (ATC) since 1991. Following the completion of his education, Jeff worked as an athletic trainer at Miami University (Ohio), Arizona State University and Stanford University. At each institution, his primary sport responsibilities were men's basketball and football. He then became a faculty member in the Department of Kinesiology and accredited Athletic Training Education Program at San Jose State University. Jeff returned to the clinical environment while maintaining his teaching responsibilities as the Head Athletic Trainer and Associate Professor at Ohlone College in 2008. He currently coordinates the provision of athletic health care services for all Renegades student-athletes.

Athletics Counselor: YVONKA HEADLEY

Yvonka Headley sprinted in her first competitive race at age seven. She ran varsity track throughout high school and competed at the state meet in the long jump. She was MVP of both her freshman and JV basketball teams. But by age 18, she was plagued with injuries. Not able to participate in basketball or track & field at the intercollegiate level herself, Yvonka says, “Although it was ages ago, I was a student-athlete. That commonality alone makes me feel like I can relate to our student-athletes. I know what it’s like to be passionate about your sport, to try balancing school, athletics, and the rest of life.” She holds a BA in English and an MA in Counselor Education, both from San Jose State University. Her hobbies include spending quality time with her husband and two children as well as attending Giants baseball games.
Over the last three years, Ohlone basketball players have left the program completing an average of 71 units, earning them an AA or AS degree, giving them a jump-start on a degree at the four-year level

- Ohlone College awards Associate of Arts (AA) and Associate of Science (AS) degrees in more than 50 areas of study.

- Both AA and AS programs require completion of at least 60 units.

- The Ohlone College faculty consists of 134 full-time faculty and approximately 450 part-time faculty. Instructors are required to have a Master’s degree in their field and at least 18 faculty currently hold Doctorate degrees.

- Student to teacher ratio is 25 to 1, allowing for more personal interaction.

- The $10 million Hyman Hall Center for Business and Technology houses computer labs and classrooms with over 400 computers complete with programming, multimedia, graphics, Microsoft Office, and Internet access for the campus community.

- The Student Services Center, building 7 - opened in 2009. Admissions and Records, Counseling, EOPS, Disabled Students Programs and Services, Financial Aid, Placement Testing, International Programs & Services, and the Student Health Center are all in one location.

- The Learning Resource Center/Library holds 61,000 book volumes, 200 periodicals in print format, and web-based access through four databases to 1,710 journals and newspapers. The collection also includes 8,000 audiotapes, 2,500 videotapes and 45,000 microforms.

- Players are exposed to special “Life Skills” programs to supplement their education in the classroom. These seminars include resume writing, study skills, test taking, time management, and NCAA transfer requirements.

- The Counseling Department provides specialized courses, which can aid students in diagnosing a learning disability. They also offer courses to aid learning disabled students in developing strategies for the successful completion of math classes or developing reading and writing skills.
All Ohlone athletes get priority class registration – This allows them to register for classes a week in advance of the rest of the student body. Priority registration ensures that they can select the appropriate classes around their sports schedule.

Academic Notebooks and Daily Planners – Each player has an academic notebook, which helps them manage their time wisely, and helps the staff monitor their progress. Players must bring their notebooks to class and study table sessions.

Academic Cohorts and Learning Communities – Ohlone College is proud to present a cohort of classes that strengthens the academic skills of athletes. In a cohort, groups of student-athletes take similar classes together. The instructors teaching these classes work together to integrate subject matter so that students experience greater interest and increased learning in their academic subjects, and lead students to earning their associate degree and transferring.

Access to English and Math Tutors in Hyman Hall – Each student-athlete has access to free tutoring available in the English and Math Labs. Tutors are available throughout the day and evening, and includes tenured, Ph.D. professors!

Study Table – All players are required to attend a two-hour study table session three days a week. Course-specific tutors are available. Players also have access to computers and reference materials.

Follow up – The coaching staff monitors all study table sessions, does random class checks, sends out four progress reports per semester, and is in constant contact with professors.

WE GIVE OUR PLAYERS THE TOOLS TO SUCCEED!

Academic Notebook Contents:

- Basic school supplies (paper, pens, pencils, highlighters, etc.).
- Academic calendar (we have them write in due dates for their homework assignments, group projects, tests, quizzes, etc.).
- Labeled sections for each of their classes (within each section the player keeps the course outline/ syllabus, class notes, handouts, and returned course work).

We give our players the following list of “STUDY TABLE EXPECTATIONS”

1. Do not be late.
2. No headphones.
3. No hats.
4. You are to sit by yourself in study table. If you need to study with someone else, let your coach know and go to a group study area.
5. This is a time to STUDY, not catch up on the day’s events. Be respectful of others using the library and keep your conversations to a minimum.
6. Come prepared with an academic notebook, books, syllabi, pen, paper, etc.
7. There is never a time when you won’t have work to do. Read ahead. Study table is implemented to keep you ahead of the game, not just so you can do your work for the next day.

THE RESULTS: 88% GRADUATION RATE
For California residents, the enrollment fee is $46 per unit. Student-athletes must be registered for 12 units per semester to participate in basketball.

For out-of-state residents, the enrollment fee is $264 per unit for Fall 2013. Students that gain residency after their first year pay the in-state fee of $46 per unit their sophomore year. (Out-of-state fees for Spring 2014 have not been set and have a chance of going up.)

For international students, the enrollment fee is $264 per unit for Fall 2013. International students are not eligible for financial aid, but are allowed to work on campus with a student visa.

In-state residents may be eligible for a Board of Governor’s Tuition Waiver. BOGW is a grant program that does not require repayment and is offered to assist low-income participants who meet certain income standards. BOGW recipients do not pay for tuition!

The Extended Opportunity Programs and Services (EOPS) provides book services for qualifying students and possible tuition waivers.

Federal Pell Grants are awarded to students demonstrating financial need. Grants range from $200 to $5,550 per academic year.

Full Pell Grant qualifiers also qualify for the Work Study program, which provides up to an additional $1,800 per academic year.

All students requesting a Pell Grant must complete the Free Application for Federal Student Aid (FAFSA) to be notified of their award. This can be done online at www.fafsa.ed.gov. The Ohlone College school code is 004481.

Student loans are available. For first-year students the maximum loan amount is $3,500. For second-year students the maximum loan amount is $4,500. Student loans do not have to be repaid until after graduation from college and the current national interest rate on a student loan is roughly 6.25%.

Basketball players from out of the area rent apartments in Fremont. A typical lease runs 12 months and must be co-signed by a parent or guardian. Currently, housing with 2-bedroom/2-bath units with washer/dryer are available for roughly $1,700, and 2-bedroom/1-bath units with washer/dryer available for $1,650.
Steps to Enroll to Become an Ohlone Student

1. APPLY
   Apply online at www.ohlone.edu and click on the WebAdvisor link at the top right. Receive a student ID number and set up a WebAdvisor account.

2. COMPLETE YOUR FAFSA
   If you are interested in receiving Financial Aid, visit www.fafsa.gov and fill out your Free Application For Federal Student Aid. Click Start Here on the webpage and follow their directions that will tell you everything you will need to be able to complete the application online. Ohlone College’s school code is 004481. Completing the FAFSA will give you and your family the opportunity to apply for various grants, loans and other forms of financial aid to help pay for college costs.

3. TAKE PLACEMENT TESTS for ESL, English, and math pre-requisites
   Go to the Placement Center website www.ohlone.edu/placement for test dates and times and for test study guides.

4. COMPLETE ORIENTATION and receive counseling
   Go to www.ohlone.edu/orientation for orientation dates or visit a counselor for new student advising.

5. REGISTER FOR CLASSES
   Register for classes online via WebAdvisor at https://webadvisor.ohlone.edu.

6. PAY FOR CLASSES due upon registration
   Pay online by credit card using WebAdvisor at https://webadvisor.ohlone.edu or at the Cashier’s Office on the Fremont Campus. A payment plan is available.

7. PREPARE FOR CLASSES
   Print a copy of your CLASS SCHEDULE. Purchase BOOKS at the Ohlone College Bookstore at the Fremont Campus (Building 5) or online at www.ohlone.bkstr.com.

8. ATTEND CLASS!

**Tuition Per Semester:**

- **In State Student:**
  - 12 units (minimum): $580
  - 15 units (recommended): $718
- **Out of State Student:**
  - 12 units (minimum): $3196
  - 15 units (recommended): $3988
- **International Student:**
  - 12 units (minimum): $3547
  - 15 units (recommended): $4339

**Total Tuition Per Year:**

- **In State Student:**
  - 24 units (minimum): $1160
  - 30 units (recommended): $1436
- **Out of State Student:**
  - 24 units (minimum): $6392
  - 30 units (recommended): $7976
- **International Student:**
  - 24 units (minimum): $7094
  - 30 units (recommended): $8678

**BOOKS AND SUPPLIES**

$300 – $500 per semester

**FINANCIAL AID**

(If full Pell qualified and based on full-time of 12 units or more.)

- Pell Grant $5550/academic year $2775/semester

**STUDENT LOANS**

**Dependent Student:**

- First Year (less than 30 units completed): $3500 subsidized + up to $2000 unsubsidized
- Second Year (more than 30 units completed): $4500 subsidized + up to $2000 unsubsidized

**Independent Student:**

- First Year (less than 30 units completed): $3500 subsidized + up to $6000 unsubsidized
- Second Year (more than 30 units completed): $4500 subsidized + up to $6000 unsubsidized

Subsidized portion of the loan is based on FAFSA need qualification.

*Subsidized – Federal government pays interest while student is in school at least halftime.
*Unsubsidized – Interest accrues immediately.

**LIVING EXPENSES (Estimated)**

- Rent $1950 (4 bed 2 bath) = $390 a month with 5 or $325 a month with 6
- Rent $1800 (2 bed 2 bath) = $450 a month with 4 or $360 a month with 5
- Food $200 - $400 a month
- Utilities and Spending Money Variable

All fees are subject to change.
Community colleges have grown increasingly important in higher education. With traditional four-year degrees becoming more and more expensive, community colleges are one of the few avenues available for providing middle- and low-income earners a path to higher education and a brighter future. Local community colleges do this primarily by preparing students to transfer — at lower cost — to a traditional university, and ultimately a four-year degree, by not only providing effective and affordable courses, but by providing the resources, counseling, and academic environment needed to help make those transfers happen.

California’s Community College system is the largest in the nation. To find out who was the best in the state of California, I examined the transfer rates of all of California’s 112 community colleges covering the period between 2003 and 2010.

The Top Five Community Colleges in California

5. Ohlone College
   Ohlone College’s most recent transfer rate was 58%. Located in the Bay Area’s Fremont and Newark cities, Ohlone enrolls almost 11,000 students a year in 51 AA/AS degrees transferring about 600 students a year to four-year colleges and universities.

4. Irvine Valley College

3. Santa Monica College

2. De Anza College

1. Foothill College

Andre Joaquin Castillo, Yahoo! Contributor Network, Jan 26, 2011
In order to be immediately eligible to practice, play, and receive a scholarship at the next level, you must meet these standards:

**FOR A 2 YEAR J.C. PLAYER**

to transfer after TWO years (4 semesters, not including summer) of J.C. Basketball

**NCAA Division I**
- Graduate with an Associate Degree with a minimum 2.5 GPA.
  - and -
- Your transferable units must equate to 40% of your completed degree at the 4-year institution (approximately 48-52 units).
- Must complete 6 units of transferable English, 3 units of transferable math (must be taken on your academic campus), and 3 units of transferable Science (for non-qualifiers only).

**NCAA Division II**
- Graduate with an Associates Degree with a minimum 2.5 GPA.
  - or -
- Have a minimum of 48 transferable units.
- Must complete 6 units of transferable English and 3 units of transferable math (must be taken on your academic campus).

**NAIA Divisions I & II**
- Pass a minimum of 24 units at a 2.0 GPA within last academic year (fall, spring, summer).

**FOR A 1 YEAR J.C. PLAYER**

to transfer after ONE year (2 semesters, not including summer) of J.C. Basketball

**NCAA Division I**
- Must have been a qualifier out of high school.
  - and -
- Have at least 24 transferable units with a minimum 2.5 GPA.
- Must complete 6 units of transferable English and 3 units of transferable math (must be taken on your academic campus).

**NCAA Division II**
- Have at least 24 transferable units with a minimum 2.5 GPA.
- Must complete 6 units of transferable English and 3 units of transferable math (must be taken on your academic campus).

**NAIA Divisions I & II**
- Pass a minimum of 24 units at a 2.0 GPA within last academic year (fall, spring, summer).
Ohlone's Basketball program prides itself on being bigger, stronger, and faster than our opponents. The up-tempo style of play Coach Peterson has implemented requires players to be in peak physical condition. To meet this requirement, Ohlone has a private weight room specifically for athletics, and a newly renovated student fitness center.

**TOP-RATE FACILITIES**

The Ohlone Fitness Center is located in Building 9 and is reserved solely for Ohlone students.

The 3,000 square foot Fitness Center includes areas for anaerobic and aerobic training.

The players have access to the best equipment available in order to maximize their training efforts:

- Free weights, including four squat racks and four bench areas
- 20 nautilus machines, each isolating a specific muscle group
- Four state-of-the-art elliptical machines
- Several aerobic training machines
- A new plyometric jump trainer
- A muscle-stimulating ballistic trampoline rebounder

Unlike most community college programs that merely “encourage” their athletes to lift on their own, we insist on the following:

- Mandatory year-round lifting as a team (four days a week).
- All weightlifting programs are designed, implemented, and monitored by Anthony Eggleton, owner of Ant’s Mind and Body, and the premier sports-specific trainer in the East Bay.
- The weight program is sport specific and focuses on three areas: Injury Prevention, Explosion and Stabilization.
Established in 1965, Ohlone College serves the cities of Fremont, Newark, and part of Union City. Located in the southeast area (East Bay Area) of the San Francisco Bay area, California, Ohlone College is part of the Ohlone Community College District. The Fremont campus is located on Mission Boulevard off Highway 680 on a beautiful 534-acre hillside site just south of historical Mission San Jose. The Newark campus is located on Cherry Street west of Highway 880 on a 31-acre site adjacent to the San Francisco Bay.

Officially named Ohlone College on June 18, 1967, the institution honors the early Ohlone Indians who inhabited the Fremont and Newark area. Distinguished by peaceful pursuits, especially in agriculture, they held profound reverence for the earth, believing it was theirs for living and not for the taking. They aided the Franciscan Fathers in building the Mission San Jose de Guadalupe in the late 18th century and prospered until 1806-1833 when a series of epidemics virtually destroyed the tribe. Some descendants, however, still reside in the Fremont-Newark area. In January of 2005, the College introduced a new logo to more fully represent the Ohlone heritage of its name.

Ohlone Community College District opened its doors in September 1967. Classes were first held at a temporary site in the former Serra Center Home for Girls on Washington Boulevard in Fremont. A year later, the Huddleson Ranch property, located in the Mission foothills just south of old Mission San José, was selected as the permanent campus site. The 2006-2007 academic year marked the 40th anniversary of serving the Tri-cities community with higher education opportunities.

Ohlone College is a member of the Coast Conference of the California Association of Community Colleges (CCCAA). This conference competes against colleges that are located throughout the Greater Bay Area, including regions such as Santa Cruz, Gilroy, Monterey, San Jose, and San Francisco. Ohlone College’s athletic teams include men’s/women’s basketball, men’s/women’s soccer, men’s/women’s water polo, women’s volleyball, men’s baseball, women’s softball and men’s and women’s swimming/diving.
San Francisco Bay Area

- Fremont, California is a city that has achieved nationwide recognition for a quality of life that business, industry and families all seek.
- Located on the southeast side of the San Francisco Bay, Fremont is a city of over 213,000 people with an area of 92-square miles, making it the fourth most populous city in the Bay Area and California’s fifth largest city. Fremont is located within Alameda County and is only a 45-minute drive to San Francisco.
- Known as “The Most Kid Friendly City in the Bay Area.”
- National Civic League named the City of Fremont as one of the year’s top ten “All American Cities.”
- Fremont is one of the most ethnically and culturally diverse cities in the Bay Area. Residents are attracted to Fremont for its nationally-recognized high-ranking public schools, its numerous well-kept parks, and a variety of recreational amenities, including beautiful Lake Elizabeth, Central Park, and Mission San Jose (California’s 14th mission). Fremont is a wonderful community to live, work, and play.

San Francisco offers many recreational and sightseeing opportunities, including:
- Golden Gate Bridge
- Fisherman’s Wharf
- Golden Gate Park
- Alcatraz
- Lombard Street
- Union Square
- Haight Ashbury
- Chinatown
- World Class Shopping

- The Bay Area is one of the premier places to watch sporting events, hosting teams such as:
  - Golden State Warriors
  - Oakland Raiders
  - Oakland Athletics
  - San Francisco 49ers
  - San Francisco Giants
  - San Jose Sharks

- San Francisco is host to many festivals, concerts and museums. Its numerous other activities make it the World’s Most Visited City according to the readers of Conde Nast Traveler magazine.
WHY CHOOSE OHLONE

LEAGUE CHAMPIONS
Since 2000

ELITE EIGHT APPEARANCES
2010, 2007
Since 2000

*We win because we recruit winners!

Four-year schools recruit our players because we win and we defend!

BAY AREA COMMUNITY COLLEGE WINNING PERCENTAGES!

2000-2012

1. City College of San Francisco* 284 - 68 (.806)
2. Diablo Valley College 306 - 89 (.774)
3. Ohlone College* 256 - 110 (.700)
4. San Jose City College 223 - 113 (.668)
5. Chabot College* 222 - 124 (.641)
6. West Valley College 225 - 142 (.613)

*Members of Coast Conference North (Ohlone’s League)
WHY CHOOSE OHLONE

EXPOSURE

Our reputation as a winning program has enticed several four-year programs. Many schools have recruited our players, and the majority have been in our gym to watch practices and/or games. These include, but are not limited to:

- Akron
- Boise State
- Cal State Bakersfield
- Cal State Fullerton
- Colorado State
- Fresno State
- Gonzaga
- Kansas State
- Kent State
- Long Beach State
- Marshall
- Metro State (CO) (DII)
- Miami (OH)
- Nebraska
- New Mexico
- Ohio
- Pacific
- Pepperdine
- Pittsburgh
- San Francisco
- San Jose State
- Santa Clara
- Southern California
- UC Davis
- UC Riverside
- UC San Diego
- UC Santa Barbara
- Utah State
- Valparaiso
- Washington State
- Weber State
- Wisconsin
- Wyoming

To maximize our players’ exposure, we regularly participate in several spring and summer Junior College events, including the Diablo Valley shootout, the Southern California shootout (held in Los Angeles), and our very own JC Jamboree.

Our players are also regularly featured in several four-year recruiting publications, including “Rick Ball’s Midwest JuCo Report,” “Jerry Mullen’s Midwest Report,” “Gerry Freitas’s West Coast Review,” “Kenn Littlefield’s Southeast JuCo Review,” “Mike Mitchell Midwest Scouting Report,” and the “Double Pump JuCo Review.” These reports are purchased by virtually every DI, DII, and NAIA program in the country!

Multiple times during the year our staff sends email updates to **every 4-year school in the nation.** This email update includes stats, highlights and most importantly links to film that 4-year coaches can download and watch immediately. No need to wait for a DVD to arrive in the mail. Ohlone College is one of just 220 iTunes colleges or universities in the USA, and we can upload our game film directly to iTunes where coaches can download it to their device(s) for free. **Ohlone is the first, and only, California community college who uses this state-of-the-art service.**
Our program takes great pride in the advancement of our student-athletes. It requires an extraordinary commitment to academic success, player development, and a keen understanding of NCAA and NAIA transfer requirements. During Coach Peterson’s tenure at Ohlone, over 95% of his players have earned scholarships at the next level!

2011-2012
Lauri Toivonen - University of Texas Pan American
Oivind Lundestad - Point Loma Nazarene University
Mihkael McKinney - CSU Sacramento
Nick Clarke - University of New Brunswick
Geoff Hartman - Notre Dame de Namur
Bobby McCall - CSU San Bernardino
Terrance Swayne - Holy Names University
Jermaine Smith - CSU Northridge
Bert Whittington - Ohio University
Alex Arias - Fisher College
Korey Hutchison - Howard University

2010-2011
Lavon Gray - West Georgia University
Cyleb Burton - Menlo College
Charles Barnes - Menlo College
Scott Kenny - Morehead State University
Travis DeShazor - Montevallo University

2009-2010
Scott Clark - Humboldt State
Demetris Love - St. Thomas University
Simba Gwanyanya - Holy Names
Reggie Jones - CSU Stanislaus
Isaiah Moore - CSU Maritime
Quaran Johnson - Metro State University
Jamaal Blalock - Virginia Union
Ronnie Sawyer - Post University

2008-2009
Tim Bowman - Oklahoma Baptist
A'Dontis Flourny - Metro State University
James Hancock - Point Loma Nazarene University
Leon Hart - Campbellsville University
Frank Monge - CSU Stanislaus
Eric Pitts - Shaw University
Kevan West - Concordia University
Matt Wittbrodt - Northwood University

2007-2008
Amarildo Mattos - Cheyney University

2006-2007
Sean Amos - Adams State University
Renardo Bass - CSU San Bernardino
Patrick Collier - Chaminade University
Willis Gardner - Colorado State University
Allen Hester - Ohio University
Mike Holmes - CSU East Bay
Brandon Lott - Cascade College

2005-2006
Sam Kim - Black Hills State University
Jeff Rodgers - CSU Dominguez Hills
Lloyd Russell - W. New Mexico University

2004-2005
Chris Burnett - Northwest University
Aaron Parker - Dickinson State University
Mezhran Evans - Wisconsin Parkside
Kevin Johnson - Adams State University
Steve Cotton - Bethany College
Jason Bull - UC San Diego
Ryan Cooper - Notre Dame de Namur
Andy Bocian - Chico State University

2003-2004
Jon Wallace - Adams State University
Mychal Green - Ohio University
Ronnie Holmes - West Texas University
Vershan Cottrell - CSU Fullerton
Jerome Bracey - SW Texas
Ryan Fujihara - Dominican University
Evan Southern - University of Alberta

2002-2003
Jared Ines - San Diego State
Berhane Williams - Dickinson State
Matt Burkholder - Westmont College
Omar Smith - Dickinson State University
Jeff Weber - Arizona State University

2001-2002
KJ Rosales - CSU Stanislaus
Brandon Norris - Adams State
James Bigelow - San Francisco State
Jimmy Dadiotis - Metro State
David Dunbar - Mesa State
Jamaal Gray - Hampton University

2000-2001
Will Walker - Cascade College
Charles King - McMurry University
Our six-week summer program consists of:

**INDIVIDUAL SKILL WORK**
During skill work, we build better individual scorers through ball handling, creating space, scoring moves, Pick and Roll, and finishing. Shooting is another huge area of emphasis. Our goal is to have every player make 10,000 jump shots during the summer.

**WEIGHTS**
We lift four days a week. Our goal in the summer is to teach proper technique and to build strength and power, preparing for the long season.

**CLASS**
Players have the option to take a summer course in the afternoons. This is a great way to get a head start on the academics.

**YOUTH CAMPS**
We run summer youth basketball camps around the Bay Area, so players will have a chance to teach kids the game of basketball. Our coaches and players have become an integral part of the youth basketball development program in our community. Our program organizes youth camps, clinics, seasonal leagues, etc., that are held throughout the year. This is a tremendous opportunity for our players and coaches to work, get in the gym, interact and have fun with local kids.

**TOURNAMENTS**
We play in two showcase events in the Bay Area, giving four-year coaches a chance to come evaluate players along with major scouting services (Rick Ball’s Midwest JuCoReport, Jerry Mullen’s Midwest Report, Gerry Freitas’ Scouting Report, and Double Pump JuCo Review).
COAST CONFERENCE – NORTH DIVISION

Ohlone College is a member of the Coast Conference North Division. Other schools in the Division include San Francisco City College, Skyline College, Cañada College, Chabot College, Las Positas College, and Foothill College.

Traditionally one of the toughest conferences in Northern California, if not the state, our league’s combined win-loss record over the last five years is an astonishing 829-607. Our conference has had the highest win-loss percentage in the state the past four years.

Five teams from our league (Ohlone, Chabot, San Francisco, Las Positas, and Foothill) have been ranked in the top 10 at some point over the last four seasons.

In 2011, 26 players from the six Coast Conference North schools received scholarships to four-year schools. Student-athletes will be in a competitive environment against solid, well-established programs.

Within a two-hour drive of our campus, there are nine Division I Schools:

Stanford  San Francisco State  Pacific University  Sacramento State  Saint Mary’s College  UC Berkeley  Santa Clara University  San Jose State  Fresno State

Several notable programs have signed players out of our league in the last few years:

Texas Tech  Cal State Fullerton  UNLV  Utah  Colorado State  San Diego State  Memphis  Fresno State  Oklahoma State  Pacific  Ohio  Portland State  Idaho State  UCLA  Southern California

Jarrad Jackson, 2012-13, from Perth, Australia  Anel Bucuk, 2012-13, from Melbourne, Australia
