

GOOD NEWS FOR DECEMBER 10 MEETING

Donna has received her my 700th win Milestone Award presented by Easton Sports. It will be held on Dec.11 in Marco Island, Florida at the National Fastpitch Coaches Association Convention. It is an Easton Victory Club Luncheon. This is an event that celebrates Division I, II III, NAIA, Junior College and High School coaches who have received milestone wins in their careers.> My overall record is 709-374. This is my 21st year coaching at Ohlone College.

The Chancellor's Office has approved our proposals for a new Associate Degree in Biotechnology and associated Certificates of Achievement.

Our Theater and Dance Department have been active partners with the Theater programs at both Irvington and Washington High Schools through our dual enrollment partnership courses (related to recently published program booklet I gave to you)

Update – at a previous Board meeting we announced that Dr. Anu Ganguly, Chemistry, had been selected as a reader for the National Science Foundation grants program. She is currently in Washington DC participating in the reading process.

The Ohlone Wind Orchestra, an auditioned evening band made of professionals, semi-professionals, and near-professionals has been invited to the California Wind Festival in Fresno next March. In Spring 2007 the band performed at the prestigious national convention of the American Bandmasters Association held in San Luis Obispo. The band recently released a CD on the national record label, Summit Records, which was reviewed favorably on AllAboutJazz.com.
