

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees
FROM: Douglas Treadway
SUBJECT: Accreditation Midterm Report
DATE: October 13, 2004

As part of the WASC accreditation process, all institutions are required to submit midterm reports between official self-studies and site visits. Since our last self-study and site visit took place in the 2001-02 academic year, it is now time to submit our midterm report.

The major recommendations of the Commission have been a central reference point during the College's efforts over the past year to establish an integrated planning and shared governance system. This past summer, Dr. Jim Wright, Vice President of Instruction and Accreditation Liaison Officer, assembled a Midterm Report Development and Review Team consisting of representatives of the relevant constituent groups on campus, including:

Martha Brown	Faculty Senate President, Counseling Faculty
Dennis Keller	College Council Co-Chair, Music Faculty
Patrick Lane	Classified Senate President, Network Administrator
Deb Parziale	CAPAC Chair, Nursing Faculty
Rob Smedfjeld	Faculty Senate Past President, Math Faculty
Saad Siddiqui	President, Associated Students of Ohlone College
Mikelyn Stacey	Deans' Representative, Dean of Language Arts and Social Sciences
Doug Treadway	President/Superintendent
Deanna Walston	Vice President of Business Services
Lisa Waits	Vice President of Student Services
Jim Wright	Vice President of Instruction, Accreditation Liaison Officer

The final draft of the midterm report is attached for your review. In the process of developing the report, college-wide input was gathered through the Instruction Office website and the Development and Review Team worked efficiently using electronic communication. One full team meeting was conducted on September 17, 2004. There was also formal and favorable review by the Faculty Senate and College Council.

RECOMMENDATION:

The President/Superintendent recommends that the Board approve the WASC Accreditation Midterm Report for submission to the WASC Accreditation Commission.
