MEMORANDUM

TO: Board of Trustees

FROM: Douglas Treadway

DATE: November 10, 2004

SUBJECT: Approval of a Sustainable Business Development Grant Award from the California Community College Chancellor's Office Economic & Workforce Development Unit

Ohlone College has been awarded the following grant from the California Community College Chancellor's Office Economic & Workforce Development Unit through Industry Driven Regional Collaborative funds: OneStop Sustainable Business Development.

The project will develop and deliver sustainable business development training to employers/ees in and around the Ohlone College service area. The training developed and delivered may include sustainable building; sustainable product development; pollution prevention in the workplace; energy efficiency; and environmental management. During the two fiscal year grant cycle, the project will serve a minimum of 125 businesses (employers) and a minimum of 300 participants (employees) through a series of training opportunities, technical assistance services, and/or consulting services. Partners for the project include the California Integrated Waste Management Board, the City of Fremont Chamber of Commerce, the City of Newark Chamber of Commerce, New United Motors Manufacturing, Inc., Alameda County Workforce Investment Board, Borden Chemical, Owens Design, and Advo, Inc. The budget is \$269,714 for the first fiscal year and \$297,216 for the second fiscal year. The project administrator is Leta Stagnaro, Dean of Entrepreneurial Programs.

RECOMMENDATION:

The President/Superintendent recommends that the OneStop Sustainable Business Development grant award be accepted as presented.
