

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees

FROM: Douglas Treadway

DATE: December 8, 2004

SUBJECT: Acceptance of a Sub-Grant Award from the City College of San Francisco on behalf of the Northern California Biotechnology Center

Ohlone College has been awarded the following sub-grant through California Community College Chancellor's Office Economic and Workforce Development Program funds.

The Northern California Biotechnology Center is authorized to release grant funds on behalf of the California Community College Chancellor's Office Economic and Workforce Development Program. Ohlone College shall provide services supporting the Biotechnology Summer Institute, Faculty Staff Development, and Biotechnology Guest Speakers. The performance period for the sub-grant is December 1, 2004, through June 30, 2005, with a budget of \$4,400. The project administrator is Ron Quinta, Executive Dean of Math and Science.

RECOMMENDATION:

The President/Superintendent recommends that the sub-grant award from the City College of San Francisco on behalf of the Northern California Biotechnology Center be accepted as presented.
