MEMORANDUM

TO: BOARD OF TRUSTEES
FROM: DOUGLAS TREADWAY
DATE: MAY 25, 2005
SUBJECT: APPROVAL OF THE SITE AND BUILDING CONFIGURATION FOR
THE STUDENT SUPPORT SERVICES BUILDING

tBP Architects will present a site and building configuration plan for the new Student Support Services Building for the Board of Trustee's review and approval.

Upon approval of the site plan, the following schedule for the building is as follows:

July 13, 2005 – Approval of initial preliminary design

October 13, 2005 – Approval of final preliminary design. The start of Construction documents will follow this approval.

Attached is tBP's Project Timeline for the Student Support Services Building.

RECOMMENDATION:

The President/Superintendent recommends that the Board of Trustees approve Option "D" as the Site and Building Configuration for the Student Support Services Building.
