WHEREAS, the District desires to obtain certain consulting services, (“Consultant Services”) as more particularly identified and described in Addendum No. 1 to this Agreement.

WHEREAS, Consultant is duly qualified and capable of providing and performing the Consultant Services set forth herein and in Addendum No. 1; if any portion of the Consultant Services require, by applicable law, rule or regulation, that Consultant be licensed to provide the Consultant Services, Consultant is and will be properly licensed at all times while providing such Consultant Services.

NOW THEREFORE, in consideration of the mutual covenants set forth herein, the District and Consultant agree as follows:

AGREEMENT

1 CONSULTANT SERVICES

1.1 Scope of Consultant Services. The Consultant Services are those set forth in Addendum No. 1 to this Agreement. The Consultant will identify specific personnel who will be assigned Consultant Services along with a description of the Consultant Services to be performed or provided by personnel identified by the Consultant. Personnel identified by the Consultant for portions of the Consultant Services shall be subject to the District's approval and other approvals required by applicable law, rule or regulation. Except as set forth in this Agreement or Addendum No. 1, the Consultant shall provide all materials, tools and other items necessary to complete the Consultant Services and authorized Additional Consultant Services.

1.2 Additional Consultant Services. Services not included in the Consultant Services are Additional Consultant Services. Without invalidating this Agreement, the District may make changes to the Consultant Services by adding, deleting or modifying the Consultant Services described in Addendum No. 1 by written notice to the Consultant. If Additional Consultant Services are authorized by the District which do not result from the Consultant’s fault or neglect, the Consultant will be compensated for authorized Additional Consultant Services in accordance with this Agreement.

1.3 Consultant Standard of Care. The Consultant Services and authorized Additional Consultant Services; if any, shall be performed and provided by Consultant: (a) using the Consultant’s best skill and attention; (b) with due care and in accordance with applicable standards of professional care; and (c) in accordance with applicable laws, rules and regulations. The Consultant acknowledges that the Consultant Services may be provided and performed in conjunction with other services provided by other parties relating to the same subject matter. Accordingly, Consultant acknowledges and agrees that the Consultant Services will be provided and completed in a manner so as not to delay, hinder or interrupt the orderly and timely progression and completion of services under this Agreement and services of others relating to the subject matter of this Agreement. The Consultant is liable to the District for the consequences of its failure to provide, perform and/or complete the Consultant Services within 24 hours of the written request for inspection from the contractor.

1.4 Consultant as Independent Contractor; Limited Consultant Agency. In providing services under this Agreement, the Consultant is an independent contractor to the District. The express terms of this Agreement and Addendum No. 1 hereto set forth the limited extent to which the Consultant is authorized to act as an agent or representative of the District. The Consultant shall be liable to the
District and third parties for the consequences of its conduct which exceed the express limited scope of
the Consultant to act on behalf of the District.

2

**CONTRACT PRICE.**

2.1 **Contract Price for Consultant Services.** The basis of the District’s payment of the Contract Price for
the Consultant Services shall be in accordance with Addendum No. 1. Except for allowable
Reimbursable Expenses, if any, pursuant to Addendum No. 1, the Contract Price set forth in Addendum
No. 1 for the Consultant Services represents the full amount due from the District to the Consultant for
the Consultant Services, including the Consultant’s fee, personnel expenses (including all benefits and
burdens), travel for the Consultant, its employees and others providing any part of the Consultant
Services to and from their respective offices/homes and the Site and the District’s Administrative

payment of such Additional Consultant Services shall be based upon a mutually agreed upon lump sum
fixed price. If mutual agreement is not reached, authorized Additional Consultant Services will be
compensated based upon the time reasonably necessary to complete the authorized Additional
Consultant Services multiplied by the applicable personnel hourly rate set forth in Exhibit A to this
Agreement.

2.3 **Reimbursable Expenses.** The extent to which any expenses are set forth in Addendum No. 1 as
allowable Reimbursable Expenses, the Consultant will be paid the direct actual costs (including credits
for trade discounts) of the allowable Reimbursable Expense.

2.4 **Consultant Billings for Payment of Contract Price.** During the course of providing Consultant
Services, Consultant shall submit monthly billing invoices to the District for payment of the Contract
Price for Consultant Services, authorized Additional Consultant Services and allowable Reimbursable
Expenses performed or incurred in the immediately prior month. Consultant’s billings shall be in such
form and format as may be reasonably requested by District.

2.5 **District Payment of Contract Price.** Within thirty (30) days of receipt of Consultant’s billing invoices,
District will make payment to Consultant of undisputed amounts of the Contract Price due for Consultant
Services, authorized Additional Consultant Services and allowable Reimbursable Expenses. The
District may withhold or deduct from amounts otherwise due Consultant hereunder if Consultant fails to
timely and completely perform material obligations to be performed on its part under this Agreement,
with the amounts withheld or deducted being released after Consultant has fully cured such failure of
performance, less costs, damages or losses sustained by the District resulting therefrom.

2.6 **Consultant’s Payments.** The Consultant shall promptly pay its employees, Sub-Consultants, if any,
and others performing or providing Consultant Services or authorized Additional Consultant Services
upon receipt of payments of the Contract Price from the District. If required by applicable law, rule or
regulation, the Consultant’s payment to personnel providing or performing Consultant Services or
authorized Additional Consultant Services shall be at least the prevailing wage rate established for the
type of service provided. If prevailing wage rates apply to any personnel performing or providing
Consultant Services or authorized Additional Services, the obligation for compliance rests solely with the
Consultant.

3.3 Commercial General Liability Insurance. The Commercial General Liability and Property Insurance shall cover the types of claims set forth below which may arise out of or result from services under this Agreement and for which Consultant may be legally responsible: (a) claims for damages because of bodily injury, occupational sickness or disease or death of their employees; (b) claims for damages because of bodily injury, sickness or disease or death of any person other than their employees; (c) claims for damages insured by usual personal injury liability coverage; (d) claims for damages, arising out of injury to or destruction of tangible property, including loss of use resulting therefrom; (e) claims for damages because of bodily injury, death of a person or property damages arising out of ownership, maintenance or use of a motor vehicle; and (f) contractual liability insurance applicable to obligations under this Agreement. District shall be an additional named insured to Consultant’s commercial general liability insurance policy.

3.4 Professional Liability Insurance. If required by Addendum No. 1 to this Agreement, the professional liability insurance shall cover liabilities arising out of the performance of services under this Agreement.

3.5 Policy Endorsements; Evidence of Insurance. Consultant shall deliver to the District Certificates of Insurance evidencing each of the policies of insurance in the coverage amounts required hereunder. All policies of insurance required hereunder shall be issued by insurer(s) admitted to issue insurance by the State of California and to the reasonable satisfaction of the District. Coverages under each policy of insurance required hereunder, whether by endorsement or otherwise, shall provide that such policy will not be modified, canceled or allowed to expire without at least thirty (30) days advance written notice to the District.

3.6 District General Liability Insurance. The District will maintain General Liability Insurance covering the District for claims of bodily injury or death of persons and property damage. The District may at its sole election obtain such liability insurance from a commercially available source, a Joint Powers Authority or by self-insurance.

The foregoing shall include without limitation, attorneys fees and costs incurred by the District and shall survive the termination of this Agreement until any such claim, demand, loss, responsibility or liability covered by the provisions hereof is barred by the applicable Statute of Limitations.

3.7.2 District Indemnity of Consultant. The District shall indemnify and hold harmless Consultant from all claims arising out of bodily injury (including death) and physical damage which arise out of the negligent or willful acts, omissions or other conduct of the District.

4 TERMINATION; SUSPENSION

4.1 Termination for Default. Either the District or Consultant may terminate this Agreement upon seven (7) days advance written notice to the other if there is a default by the other Party in its performance of a material obligation hereunder and such default in performance is not caused by the Party initiating the termination. Such termination shall be deemed effective the seventh (7th) day following the date of the written termination notice, unless during such seven (7) day period, the Party receiving the written termination notice shall commence to cure it default(s) and diligently thereafter prosecute such cure to completion. In addition to the District’s right to terminate this Agreement pursuant to the foregoing, the
District may terminate this Agreement upon written notice to Consultant if: (a) Consultant becomes bankrupt or insolvent, which shall include without limitation, a general assignment for the benefit of creditors or the filing by Consultant or a third party of a petition to reorganize debts or for protection under any bankruptcy or similar law or if a trustee or receiver is appointed for Consultant or any of Consultant’s property on account of Consultant’s insolvency; or (b) if Consultant disregards applicable laws, codes, ordinances, rules or regulations. If the District exercises the right of termination hereunder, the Contract Price due the Consultant, if any, shall be based upon Consultant Services, authorized Additional Consultant Services and Reimbursable Expenses incurred or provided prior the effective date of the District’s termination of this Agreement, reduced by the District’s prior payments of the Contract Price and losses, damages, or other costs sustained by the District arising out of the termination of this Agreement or the cause(s) for termination of this Agreement. Consultant shall remain responsible and liable to District for all losses, damages or other costs sustained by District arising out of termination pursuant to the foregoing or otherwise arising out of Consultant’s default hereunder, to the extent that such losses, damages or other costs exceed any amount due Consultant hereunder for Consultant Services, Reimbursable Expenses or authorized Additional Consultant Services.

4.2 District Right to Suspend. The District may, in its discretion, suspend all or any part of the Consultant Services hereunder; provided, however, that if the District shall suspend Consultant Services for a period of sixty (60) consecutive days or more and such suspension is not caused by the Consultant’s default or the acts or omissions of Consultant or its Sub-Consultants, upon rescission of such suspension, the Contract Price will be subject to adjustment to reflect actual costs and expenses incurred by Consultant, if any, as a direct result of the suspension and resumption of Consultant Services hereunder.

4.3 Termination For Convenience. The District may, at any time, upon seven (7) days advance written notice to Consultant terminate this Agreement for the District’s convenience and without fault, neglect or default on the part of Consultant. In such event, the Agreement shall be deemed terminated seven (7) days after the date of the District’s written notice to Consultant or such other time as the District and Consultant may mutually agree upon. In such event, the District shall make payment of the Contract Price to Consultant for Consultant Services, authorized Additional Consultant Services or allowable Reimbursable Expenses provided or incurred through the effective date of termination plus actual costs incurred by Consultant directly attributable to such termination. Except as set forth above, the Consultant shall not be entitled to other compensation if the District exercises the right to terminate hereunder. Consultant may terminate this agreement for convenience with a sixty (60) day written notice. In the event the consultant terminates this agreement, he agrees to assist the District in a search for a replacement and to assist the new Inspector in the transition

4.4 Consultant Suspension of Consultant Services. If the District shall fail to make payment of the Contract Price when due Consultant hereunder, Consultant may, upon seven (7) days advance written notice to the District, suspend further performance of services hereunder until payment in full is received. In such event, Consultant shall have no liability for any delays or additional costs of Project design or construction due to, or arising out of, such suspension.

4.5 Consultant Obligations Upon Termination. Upon the District’s exercise of the right of termination hereunder, the Consultant shall take action as directed by the District relative to on-going preparation of the Design Documents or Project construction. If requested by the District, the Consultant shall within five (5) days of such request, assemble and deliver to the District all work product, Consultant Deliverables and other items of a tangible nature (whether in the form of documents, drawings, samples or electronic files) prepared by or on behalf of the Consultant under this Agreement. The Consultant shall deliver the originals of all work product, Project records and other items of a tangible nature requested by the District pursuant to the preceding sentence; provided, however, that the Consultant may, at its sole cost and expense, make reproductions of the originals delivered to the District.

5 MISCELLEANOUS

5.1 Governing Law; Interpretation. This Agreement shall be governed and interpreted in pursuant to the laws of the State of California and in accordance with its fair meaning and not strictly for or against the District or Consultant. If any provision of this Agreement is deemed illegal, invalid unenforceable or void
by any court of competent jurisdiction, such provision shall be deemed stricken and deleted herefrom, but all remaining provisions will remain and continue in full force and effect.

No action or failure to act by District shall be deemed a waiver of any right or remedy afforded hereunder or acquiesce or approval of any breach or default of the Consultant.

5.7 **Disputes.**

5.7.1 **Consultant Continuation of Services.** Except in the event of the District’s failure to make undisputed payment of the Contract Price due Consultant, notwithstanding any disputes between District and Consultant hereunder, Consultant shall continue to provide and perform Consultant and authorized Additional Services pending a subsequent resolution of such disputes.

5.7.2 **Mandatory Mediation.** All claims, disputes and other matters in controversy between the Consultant and the District arising out of or pertaining to this Agreement shall be submitted for resolution by non-binding mediation conducted under the auspices of the American Arbitration Association (“AAA”) and the Construction Mediation Rules of the AAA in effect at the time that a Demand For Mediation is filed. The commencement and completion of mediation proceedings pursuant to the foregoing is a condition precedent to either the District or the Consultant commencing arbitration proceedings pursuant to the following Paragraph.
