

Mr. Jeff Villano
Director of Information Technology
Ohlone Community College District
43600 Mission Blvd
Fremont, CA 94539

October 12, 2005

Dear Mr. Jeff Villano,

After putting lots of thoughts and considerations, I would like to request to terminate my employment with Ohlone Community College District. This will allow time for myself to improve my skill sets and also allow more time to be with my family. Please let me know the process during this transition period. Thanks for the opportunity of working for Ohlone Community College District.

Yours sincerely,

Dominic Wong
