Re: ASOC Annual Budget Approval

---

Attached is the ASOC 2005-2006 budget for the Board of Trustee's consideration and approval. The budget was presented to the ASOC council on August 16, 2005 by the ASOC advisors. On August 30, 2005 the council unanimously voted to approve the proposed budget.

I ran this by Joanne Schultz, who after making some minor revisions, concurs with the figures. If you have any questions, please contact me.
