Re: Resignation of Employment

Dear Deanna,

I have accepted a position at West Valley-Mission Community College District. My resignation from Ohlone Community College District is effective February 1, 2006.

I want to thank you and Dr. Wright for your support, mentoring, leadership, and friendship during my seven years at Ohlone College. While I look forward to new challenges at West Valley – Mission, I look back at what we together have accomplished at Ohlone College. Thank you for the opportunities and the experiences.

Warm Regards,

Lyle K. Engeldinger
