

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees
FROM: Nick Nardolillo
DATE: February 22, 2006
SUBJECT: Board Member Compensation

The Ohlone College Board of Trustees policy on board compensation states, "The Board may, on an annual basis, increase the compensation of board members by five percent." For a district of our size, the maximum compensation is \$400.00 per month. Currently, the board receives \$252 per month. A five percent increase would result in a monthly compensation of \$264.60. This increase falls within Education Code guidelines.
