Walter Birkedahl
Dean, Fine Arts, Business & Broadcasting
Ohlone Community College
43600 Mission Blvd.
Fremont, CA 94539

Dear Walt,

It is with regret that I submit my resignation from the faculty of Ohlone College, effective immediately.

I have been offered an opportunity to move forward both professionally and financially which I cannot afford to pass up.

I want to thank you for the support and camaraderie which you have given me over the last six years. I have always felt that you were a strong advocate for the Entertainment Design and Technology Program and for the Theatre and Dance Department, both on campus and within the community. I appreciate that yours is not an easy job and that you have always offered a open door and an open mind.

I wish you the best of luck in the future, as the Division continues to grow and evolve.

Sincerely,

A handwritten signature in black ink, appearing to read "Christopher M. Guptill". The signature is fluid and cursive, with a long horizontal stroke extending to the left and a looped flourish on the right.
