Subject: Leave of Absence (Revised)

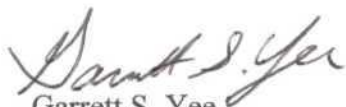

Dear Fellow Board Members,

This letter serves to inform the board that I will be taking leave of absence from the Ohlone College Board of Trustees, beginning August 9, 2006, for approximately 6 months due to an obligation for Federal Military Deployment in accordance with Government Code 1064 Section C.

I realize that this leave of absence takes me through the end of my first term of office, and therefore, I would like to take this opportunity to thank the Ohlone College faculty and staff for the great work that I have had the opportunity to observe while serving as a member of the Ohlone College Board of Trustees. The college has come a long way in the past four years in large part due to the culture of teamwork fostered by Dr. Treadway and the efforts of all the stakeholders at the college. I would also like to thank the college and the board for the support that I have received while activated for military service.

It is my intent to run for a second term on the Ohlone College Board of Trustees in the fall, albeit any campaign efforts will be limited.

Respectfully,

Garrett S. Yee  
Board Member
