

POSITION: Director of Clinical Education-
Respiratory Therapist Program
DATE OF HIRE: September 9, 1999

Tuesday, September 12, 2006

To the Board,

It is with regret that I am resigning from my Position of Clinical Director of the Respiratory Therapist Program at Ohlone College. My last day as a full time faculty will be Friday, September 29, 2006. I have been offered an opportunity to move forward financially, which I greatly need.

I have spoken at length with Carol McNamee-Cole, Respiratory Therapist Program Director, and I will assist with the clinical placement and adjunct contracts until a replacement can be found. I am willing to work as an adjunct instructor up to two days per week until the end of the semester as well as up to two days per week during the Spring Semester.

I really enjoy teaching here at Ohlone College, and I have given this resignation much thought. Again, as needed, I am willing to continue on at Ohlone as an adjunct instructor for the Respiratory Therapist Program.

Please be assured that I will do all I can to assist in a smooth transfer of my position until a replacement Clinical Director of Respiratory Therapy is found.

Sincerely,
