Dear Dean Stacey:

As you know, my husband is being transferred to San Diego this summer; therefore I must resign my position as Professional Development Coordinator, effective June 30, 2007.

It is disappointing to have to leave the Early Childhood Studies Department. The Professional Development Program is a great strength of the ECS Department and I am proud to have played a role in supporting the students, promoting the department, and connecting with the Early Childhood workforce in the community.

I have truly enjoyed working with all the faculty, staff, and students at Ohlone College, and will miss everyone very much.

Sincerely,

Sharon W. Pearce
