

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: BOARD OF TRUSTEES  
FROM: DOUGLAS TREADWAY  
DATE: MAY 9, 2007  
RE: BOND PROJECT UPDATE

Attached is the latest update on key bond projects. Also, included is the current capital project priority list as well as a listing of unfunded projects. The capital project priority list was approved by the College Council. However, even though the Board has discussed it numerous times, the Board has not taken official action to approve the capital project priority list. Staff intends to place the capital project priority list on the May 23, 2007 Board agenda for the Board's official consideration.
