Re. Letter of Resignation

To Human Resources,

Please accept this letter as my formal notice of resignation from my position as Biotechnology Lab Technician for Ohlone College. My last day will be Friday, September 7th, 2007. I have decided to pursue my graduate degree in pharmacology at University of California, San Diego. I will do all I can to assist in the smooth transfer of my responsibilities before leaving.

It has been a pleasurable learning experience working as part of the biotechnology/biology team. My time here at Ohlone has been invaluable, both personally and professionally. The associations I've made during my employment here will truly be memorable for years to come. Thank you very much!

Yours sincerely,

Joyce Luk
