MEMORANDUM

TO: Board of Trustees

FROM: Douglas Treadway

DATE: July 10, 2007

SUBJECT: Continued Contract with Alameda County Children and Families Commission for Early Childhood Education Professional Development Coordinators

Ohlone College was first awarded a contract with the Alameda County Children and Families Commission (ACCFA) in January 2001. This contract is authorized by the California Children and Families First Act of 1998, and allows ACCFA through its Strategic Plan—*Every Child Counts, First Five*—to expend moneys allocated for the support and improvement of early childhood development in Alameda County. This contract is funded from July 1, 2007-June 30, 2009 for \$390,000. This contract funds the positions for two Early Childhood Professional Development Coordinators to work with the students and faculty of Ohlone College as well as the local community to identify and promote resources for improving early childhood education professional development resources.

RECOMMENDATION:

The President/Superintendent recommends approval of the contract between Ohlone College and the Alameda County Children and Families Commission for July 1, 2007-June 30, 2009.
