

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

CONSENT

TO: Board of Trustees  
FROM: Douglas Treadway  
DATE: October 10, 2007  
SUBJECT: Acceptance of Bond Oversight Committee Annual Report

---

The Bond Oversight Committee is responsible to present an annual report to the Board of Trustees. The annual report summarizes the bond project activities that occurred over the past year and gives the Committee the opportunity to present any recommendations or concerns to the Board for their consideration. This year the design of the report has been changed to present the information in a more reader friendly format that includes short descriptive notations coupled with pictures of the finished and in progress construction projects. The timing of the report has also been changed to coincide with the College's fiscal year.

Also, included with the Annual Report is the Committee's activities report, which is being included as an information only attachment.

RECOMMENDATION:

The President/Superintendent recommends that the Board of Trustees accept the Bond Oversight Committee Annual Report for the period January 2006 through June 2007 and thank the Committee members for their service to the District and the community.
