

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees
FROM: Doug Treadway
DATE: December 12, 2007
SUBJECT: Approval of the Accreditation Self Study Report

Over the past year, the college community has been engaged in self study and assessment of how well we are meeting the accreditation standards as established by the Accrediting Commission for Community and Junior Colleges and administered by the Western Association of Schools and Colleges. The Board has been updated six times as the assessment process has progressed. The standards narratives, Ohlone Stories, and sources of evidence have been continually updated and available on the college website for all to review and comment.

A draft of the full self study report is provided for your review. The report has been endorsed and approved by the Faculty Senate and the College Council. Editing for grammar, spelling, and consistency of usage, format, font size and voice will continue for the next several weeks.

RECOMMENDATION:

The President/Superintendent recommends approval of the accreditation self study report.
