FROM: Douglas Treadway

DATE: February 27, 2008

SUBJECT: Ratify Amendment 1 to Dynamic Consultants, Inc. Contract No. 268-0507-001

On May 23, 2007, the Board approved contract #268-0507-001 for Testing and Inspection Services for the Student Services Building and miscellaneous Fremont Campus projects with Dynamic Consultants, Inc. (DCI).

Dynamic Consultants proposed to provide testing and inspection services for the Student Services Building for a sum not to exceed \$209,184. There have been no increases to this contract to date.

DCI was well qualified to provide these services for the new Cooling Tower Project for Building One currently nearing completion. Therefore, Amendment 1 was executed to increase the current contract by a not-to-exceed amount of \$4,000.00.

The amended total for the contract is now \$213,184.00. Funds for these services are provided by the State and are allocated in fund 41 under the Cooling Tower Replacement Building One budget.

The President/Superintendent recommends that the Board of Trustees ratify Amendment 1 to Contract No. 268-0507-001 with Dynamic Consultants, Inc. for Special Inspection and Materials Testing Services for the Cooling Tower Project in an amount not to exceed \$4,000.00.
