Discussion of Salary

Discussion/Action
-------------------

---

On April 21, 2008, the Board of Trustees confirmed a preferred candidate for the position of President/Superintendent, following an in-depth search and previously approved interview and selection process, and with the assistance of an ACCT\* consultant and a search committee consisting of shared-governance representation.

The Board is now prepared to move forward with the next phase of the process including contract negotiations for that position. Today's agenda item will include discussion of a recommended, acceptable salary range for the President/Superintendent position.

RECOMMENDATION

It is recommended that the Board of Trustees authorize Board President, Garrett Yee, to negotiate the terms of the contract for Ohlone College's next President/Superintendent on behalf of the College District.
