

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees

FROM: Lyle Engeldinger

DATE: May 21, 2008

SUBJECT: President/Superintendent Continuation of Employment

Dr. Douglas Treadway has elected the option of retiring from CalSTRS effective June 1, 2008. He has a signed contract with the District for employment through June 30, 2008. In order to fulfill that contract, Dr. Treadway will be in a post-retirement payroll status as per CalSTRS regulations. Dr. Treadway's salary and benefits will remain the same, except the District will not be making a CalSTRS contribution for Dr. Treadway's June payroll. Although the District has a contract obligation in place, it is recommended that the Board ratify the one month continuation of employment after CalSTRS retirement as allowed under their rules for college administrators.

RECOMMENDATION

The recommendation is, notwithstanding the District's contract obligation with Dr. Douglas Treadway, the Board ratify the one month continuation of employment of Dr. Douglas Treadway as allowed by CalSTRS rules for college administrators.
