

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees
FROM: Doug Treadway
DATE: June 11, 2008
SUBJECT: Biotechnology Degree and Certificates Proposal

Dr. Ron Quinta and the faculty of the Biotechnology and Biology Departments have prepared a proposal for a new Associate in Science Degree in Biotechnology and four related Certificates of Achievement: Cell Production/Fermentation, Quality Control/Research Associate, Biostatistics, and Bio-Manufacturing.

The proposal has been approved by the Ohlone Curriculum Committee and the Bay Area Regional Occupational Planning Committee. Dr. Jim Wright, Vice President of Academic Affairs has also approved the proposal.

RECOMMENDATION:

The President/Superintendent recommends the Board approve the Biotechnology Degree and Certificates proposal for submission to the Chancellor's Office.
