Dearest Martha,

It is with great regret that I submit my notice of resignation. I have chosen to take a job closer to home and my family. I would like to take this opportunity to thank you for all of your support and help through my employment here at Ohlone College. I could not have worked for a better Dean. You truly are an inspiration! On that note, my last day will be July 30, 2008.

I began my life here at Ohlone College in fall 2001 as a student, then got into the work-study program and worked for the Counseling Department, and the Social Sciences Department. While working here, and working with your wonderful department, I was able to complete my AA degree, and transfer to CSUEB. I couldn't have done it without everyone's support and encouragement. It has been a wonderful experience for me. During my time here, I have learned so much, and I plan on taking my knowledge with me to my new place of employment.

My new position will be a 10 month position, so I am hoping that this will give me the opportunity to come back to Ohlone to work on my off months during the summers. Again, thank you so much!

Sincerely,

Amanda Phitsamay
