

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees

Consent Item

FROM: Dr. Gari Browning

DATE: August 13, 2008

SUBJECT: Approval of Douglas Treadway Contract
for International Education & Exchange Services

The Ohlone Community College District proposes hiring Dr. Douglas Treadway as a Contractor to undertake and accomplish the following, in relation to the District's international education and exchange objectives:

- Develop student internships and agreements in conjunction with the China Suzhou Center / Business and International Education (BIE) Title VI B (U.S. Department of Education) grant;
- Develop industry training programs through China Suzhou Center Contract Education;
- Plan curriculum and accreditation in conjunction with the China Suzhou Center/Joint degree program with Hong Kong University Space Global College;
- Develop cohort(s) in engineering to come to Ohlone College via the JSS India partnership;
- Develop joint curriculum and accreditation articulation with JSS India;
- Develop other university cohorts and agreements in India;
- Organize groups of business leaders and educators from China and India, to visit Ohlone College for short-term training; and
- Organize groups from Fremont, Newark and surrounding areas to do the same in China (Suzhou Center) and India (JSS).

RECOMMENDATION

The President / Superintendent recommends approval of the contract for Douglas Treadway to coordinate the aforementioned activities in support of Ohlone College's International education and exchange objectives.
