

# Ohlone Community College District

---

Emergency Preparedness Program

# Objectives

---

- Fulfill compliance with Disaster Resistant California Community Colleges Program Training Matrix
- Full compliance with NIMS/SEMS requirements
- Prepared for emergency responses to disasters, accidents, serious incidents, and to provide assistance to other schools or agencies

# Preparedness Measures

---

- Training of college personnel including staff and faculty
  - SEMS Introduction, ICS 100, 200, and ICS 700 (SEMS-NIMS-ICS Combined). Classes given in 2007 to DDA's and most faculty and staff
  - On-line class also made available
- Emergency Preparedness Plan
  - Reviewed continuously and modified as appropriate
  - Distributed via e-mail to all employees
  - Available on Website

## Emergency Preparedness Measures – cont.

---

- Emergency Supplies and Equipment container
  - Relocated to more accessible location
  - Inventory continually monitored and evaluated for re-supply and appropriateness
  - Accessible to Campus Police and Facilities

# Emergency Container

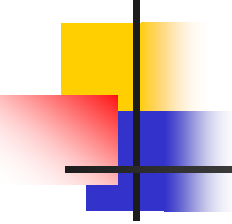

# Emergency Container

# EMERGENCY EQUIPMENT CONTAINER CONTENTS
