MEMORANDUM

TO: Board of Trustees Consent Agenda

FROM: Gari Browning

DATE: October 8, 2008

SUBJECT: Postponement of Sabbatical Leave

This past spring the Board approved a one-year sabbatical leave for Dr. Tom Holcomb, Professor of Deaf Studies, for the 2008-09 academic year. Given that the Deaf Studies and Special Services Division has a new Dean this year, Tom requested a postponement of his sabbatical leave to the 2009-10 academic year. This request is supported by the Sabbatical Leave Committee and Dr. Jim Wright, Vice President of Academic Affairs/Deputy Superintendent. The UFO Contract requires Board approval of this request.

RECOMMENDATION:

The President/Superintendent recommends approval of this sabbatical leave postponement for Dr. Tom Holcomb from the 2008-09 academic year to the 2009-10 academic year.
