MEMORANDUM

TO: Board of Trustees

FROM: Gari Browning

Discussion Item

DATE: November 12, 2008

SUBJECT: K-12 Admissions and Enrollment – First Reading

The Vice President of Student Development will present a proposal to change Board Policy 5010 regarding the admission and enrollment of K-12 students beginning with the 2009 summer term. The proposal has been endorsed by the Faculty Senate, College Council, Deans and Administration.

Proposed changes:

- Restriction of admission of special students to those who have completed the 9th grade.
- Restriction of all 10-12 enrollments (registrations) in courses coded as “Basic Skills.”

RECOMMENDATION:

This item is for discussion only and will be added to a future agenda for Board action.
