

ACCREDITATION UPDATE FOR November 12, 2008

Recommendations for October report

Submitted our report due October 15 and received confirmation of its receipt. Welcomed today members of the follow-up team, Dr. Glenn Roquemore, President of Irvine Valley College and Barbara Vineyard, Trustee at Sierra College. They interviewed the president's staff and several trustees. We should receive a response from the Commission in early February.

Recommendations for March report

Review mission, vision, planning processes, PR

- The environmental scan data is nearing completion.
- We are planning the steps and timeline for reviewing our mission and college goals.
- We are piloting Program Improvement Objectives to prioritize this year. The objectives will provide the required link to college budgeting.
- Continued elaboration of creating the communication looping for College Council
- Identifying WSCH projections by program and location to assist tBP in identifying future facilities needs

Evaluations

- HR workshop on employee evaluation for DDAS has been completed.
