

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees

FROM: Gari Browning

DATE: June 10, 2009

SUBJECT: Mission Valley ROP Career Technical Education Plan

AB 2448 requires that all Career Technical Education (CTE) courses be sequenced. This sequencing is required when both high school and/or community college offer courses in the same career pathway. MVROP has completed a lengthy report, previously provided to the Board, which describes all CTE course sequencing between area MVROP, High Schools and Community Colleges. The College has been involved in an ongoing manner with the ROP for a number of years in planning curriculum and creating career pathways.

Specific to Ohlone;

Appendix A - lists Ohlone College courses which are identified as sequenced to the MVROP curriculum.

Appendix B- lists the Ohlone College courses that are articulated with MVROP

Appendix C -lists the roster of members on the MVROP advisory board.

Individuals representing Ohlone College include:

Richard Grotegut
James Wright
Mary K. Lim
Yvonka Headley

Ron Travenick will represent the MVROP plan and provided “talking points” document.

RECOMMENDATION:

No action is required of the Board. AB 2448 requires that the plan be presented. The President recommends that the Board accept and acknowledge the plan in support of Ohlone’s ongoing partnership and involvement with MVROP.
