MEMORANDUM

TO: Board of Trustees

FROM: Gari Browning

DATE: July 15, 2009

SUBJECT: Approve Amendment #4 with Fugro West, Inc., for Geotechnical Services

On April 9, 2003, the Board of Trustees approved contract no. 177-0202-001 to Fugro West, Inc. in the amount of \$60,000. This contract provides geotechnical services for the new Ohlone College Student Support Services Building project. Previous amendments approved by the Board total \$208,986.

Geotechnical services are provided on an as-needed basis and are billed only when utilized. Due to the unforeseen complexity of the project and extension of the completion date, the contract needs to be amended to provide for services through July 2009.

The total estimated cost for the scope of work defined in this amendment is \$17,200.00. This will increase the contract not-to-exceed total to \$286,186.00. Funding is provided in fund 42 (Bond Project SSB.)

RECOMMENDATION:

The President/Superintendent recommends that the Board of Trustees approve amendment no. 5 to contract no. 177-0202-001 with Fugro West, Inc. for additional Geotechnical Services for the Student Support Services Building in the amount of \$17,200.00.
