

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees
FROM: Gari Browning
DATE: September 23, 2009
SUBJECT: General Obligation Bond Survey Results

The District has retained the services of the Lew Edwards Group to research the feasibility of placing a general obligation bond measure on the ballot in 2010. As a first step in that process, an opinion survey of likely voters was conducted in July by Fairbank, Maslin, Maullin & Associates. The results of that survey have now been tabulated.

Representatives from the Lew Edwards Group and Fairbank, Maslin, Maullin & Associates will make a presentation of the results of the opinion survey to the Board of Trustees.
