

Technology Master Planning

BRUCE GRIFFIN

Brief History of the Tech Master Plan

- **Why it was created**
- **Who created it**
- **Focus of the plan**
- **Sources**

Changes planned for Version 2.0

- **Better integration with the campus planning process**
 - Two-way loop between Strategic Plan development and Tech Master Plan development
- **Reflect campus initiatives rather than individual department needs.**
- **Greater integration between College Council and the Tech Committee**

Process for Transitioning (now underway)

- **Realign to a FY2010-2015 timeline**
- **Look to other plans to inform the Tech Master Plan**
 - Strategic Plan
 - Education Master Plan
 - Facilities Master Plan
- **Determine which “Holdovers” from v1.0 are still relevant**
- **Review underlying assumptions**
- **Realign with vision/value statements from other plans**
