

OHLONE COMMUNITY COLLEGE DISTRICT

MEMORANDUM

TO: Board of Trustees
FROM: Gari Browning
DATE: February 10, 2010
SUBJECT: Board of Visitors Discussion

Some institutions of higher education, mostly private universities, and some professional schools have Boards of Visitors made up of volunteer citizens or professionals to inform the President of the institution and the Board of Trustees about the needs of the community. Their roles are typically as ambassadors to the community and advocates for the institution. Some perform a fund raising function. The Ohlone Board has expressed a desire to explore this concept to determine if it would be of benefit.
