The District’s Director of Purchasing, Contracts, and Auxiliary Services is designated as the person responsible for identifying District personal property as surplus and is responsible for the sale, donation or disposal of such property as prescribed in Education Code 81450/81452. The following Department(s) identified personal property that is not required for school purposes, is unsatisfactory, is not suitable for school use, or should be disposed of for the purpose of replacement, per the attached inventory sheet(s):

Fitness Center
Parking
Warehouse
Library

Although the District will attempt to do so, for most items the value of this property is insufficient to defray the cost of conducting a formal public bid. By law, a finding to this effect, by a unanimous vote of the members present, will allow the District to dispose of items not sold at auction and will help prevent this obsolete surplus equipment from accumulating in the warehouse and maintenance yard.

RECOMMENDATION

The President/Superintendent recommends that, by unanimous vote the members present, the Board of Trustees authorize the designee to surplus property as specified above and find the value of the item(s) listed to be less than $5000 and of insufficient value to defray the cost of arranging a public bid.
