Subject: Policy Review (BP 4230, 4231, 4235, 4240) – 1st Reading

As part of the regular 4-year cycle of District policy review, the policies listed have been revised to align with Community College League of California recommendations.

The first attachment lists each item’s Ohlone policy language (in red), followed by CCLC policy template text (in blue).

The second attached document includes all proposed changes discussed and submitted by an ad hoc Policy committee (President/Superintendent and two trustees).

The President/Superintendent will provide rationale for each proposed change to policy at the board meeting.

Recommendation

Policies are for 1st reading, and therefore for discussion only.
