The course and program listed on the attached memorandum from the Vice President, Academic Affairs were approved by the Curriculum Committee for deactivation and removal from the college catalog.

RECOMMENDATION:

The President/Superintendent recommends approval of the following curriculum items.
The following course and program were approved by the Curriculum Committee for deactivation and removal from the college catalog.

The following course has been deactivated as it has moved to a different department:

    INT-101    Interpreting As a Career

The following program has been deactivated, as it has too many units to be considered a Certificate of Accomplishment:

    Certificate of Accomplishment in Biology: Research
