The governing of board of each community college district is required to develop and adopt a district-wide written equal employment opportunity plan to implement its equal employment opportunity program. The Plan has been reviewed and endorsed by Faculty Senate and College Council. Once approved by the Board, it has to be submitted to the Chancellor’s Office for review and approval. The Plan must also be updated regularly, with updates provided to the CCCO.

RECOMMENDATION

The President/Superintendent recommends the approval of the Equal Employment Opportunity Plan for submittal to the CCCO.
