

OHLONE COMMUNITY COLLEGE DISTRICT

Conference Attendance/College Visitation Agreement

I understand that throughout the school year I may be voluntarily visiting other colleges and/or attending student government conferences as a representative of the Ohlone Community College District and/or as a member of the Associated Students of Ohlone College.

I understand and agree to the following:

- As a representative of the college and the ASOC I understand inappropriate conduct is not acceptable and I am expected to conduct myself in a responsible manner. Inappropriate conduct includes, but is not limited to, conduct which is likely to endanger the health or safety of myself or any other person(s), conduct which is likely to cause damage to property, or conduct in violation of any local, state, or federal law or district policy;
- I am personally financially responsible if my conduct causes an injury or damage to real or personal property of another;
- I will not bring along any unauthorized guests;
- I am responsible to make my own travel arrangements. The college is not providing me with, or assuming responsibility for, my transportation.
- Even though there may be reimbursement for travel expenses, it is fully understood the college is in no way responsible, nor does the college assume any liability, for injury or loss resulting from my transportation;
- The college is not responsible for supervising my activities. The college and its employees will not be held liable for injury or loss suffered by me while I am engaging in any activity associated with the conference/visitation, either before, during or after the program;
- I am expected to participate in all activities, workshops, presentations and meetings provided at the conference/visitation;
- I am expected to remain on the premises of the site at which the conference/visitation is located during the days and times of the program. If I choose to leave the premises of the conference/visitation site at any time I do so on my own and at my own risk;
- During the entire time that I am at the conference/visitation, from the time of arrival to the time of departure, I am subject to all standards of student conduct as outlined in the OCCD board policy(ies).

I understand that violation of any part of this agreement may result in me being barred from representing the ASOC at college visitations/student government conferences and may also result in student disciplinary action by the college.
