

CURRICULUM GUIDE 2008-2009

BUSINESS

AA Degree: General Focus

The Associate of Arts degree with an area of emphasis in Business is designed to provide graduates with the skills and knowledge required to work effectively in a variety of business settings. The curriculum provides a solid foundation in areas of business management, information technology, economics, international business, and legal and ethical issues. Graduates from the AA in Business program will be able to communicate effectively for informal, formal, and quantitative tasks and will be conversant with the values and terminology of the field. They will be able to access information resources, evaluate them for credibility and relevance, and use the sources to present a wide range of alternatives. Having utilized academic processes such as feedback from faculty and self-reflection, graduates will be situated for lifelong learning.

It is imperative that students entering Ohlone's Associate of Arts degree in Business meet with a counselor at the start of their academic work. Counselors will assist students in preparing a Student Education Plan that will prepare them to achieve their academic goals.

Requirements for AA Degree:

- a) Complete the Required Degree Courses with a grade of C or better.
- b) Complete the Required Degree Courses and one Supporting Course.
- c) Complete Plan A, B, or C General Education requirements. These requirements are specified in the Ohlone College catalog. Counselors will also advise students on the General Education plan that best prepares them for pursuing an associate degree and/or transfer.
- d) Complete at least 60 degree-applicable units with a 2.0 grade point average.
- e) Complete at least 12 units at Ohlone College.
- f) Complete at least 50% of the required degree courses at Ohlone College.
