

CURRICULUM GUIDE 2017-2018

3D MODELING AND ANIMATION

Certificate of Accomplishment in 3D Modeling and Animation

Requirements for Certificate of Accomplishment:

- a) Complete satisfactorily the courses listed for the particular certificate.
- b) Complete at least 50% of the required units at Ohlone College.
- c) Maintain a 2.0 grade point average.

3D MODELING AND ANIMATION

This certificate provides students with technical and aesthetic skills needed for animation and 3D modeling.

Student Learning Outcomes

1. Employ industry standard software to create 3D imagery and animations.
2. Demonstrate the ability to create 3D objects.
3. Demonstrate the ability to create 3D animations.
4. Illustrate concepts using 3D objects and animations.

MM-102A	Introduction to Multimedia	3
MM-121A	3D Modeling	3
MM-121B	3D Animation	3
MM-121C	Advanced 3D Modeling and Animation	<u>3</u>
