COMMUNICATION STUDIES FOR TRANSFER

Associate in Arts in Communication Studies for Transfer (ADT)

The Communication Studies Department at Ohlone College offers a wide range of communication studies courses that meet students' general education requirements, lower division transfer requirements for CSU and UC Communication Studies Departments, requirements for Communication Studies certificates, and the Associate in Arts in Communication Studies for Transfer. This department strives to help students gain knowledge of theoretical perspectives of communication and learn to speak, think, and write clearly and concisely, critically and creatively. Students study the necessary skills to prepare them for transfer in communication studies or related majors. Finally, the department encourages students to use their communication expertise ethically and in service to the larger community and to enhance their relationships and their own personal growth.

The Student Transfer Achievement Reform Act (Senate Bill 1440, codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts in Communication Studies for Transfer is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.
