

CURRICULUM GUIDE 2017-2018

KINESIOLOGY: FITNESS PROFESSIONAL

Certificate of Achievement in Kinesiology: Fitness Professional

The Certificate of Achievement in Kinesiology: Fitness Professional prepares students to pursue careers in a variety of health science professions including but not limited to personal training, physical therapy, exercise physiology, exercise biology, fitness instruction, physical education, coaching, athletics, and more. The courses required in the certificate of achievement will fulfill many of the course requirements for the Associate in Arts in Kinesiology for Transfer. Students are advised to meet with their counselor to assess the course requirements for specific institutions. This program will enable students to build a strong foundation in exercise science and kinesiology which will enhance their success in obtaining entry-level jobs in the fitness industry.

The Certificate of Achievement in Kinesiology: Fitness Professional will prepare students for a career in the fitness industry. Students receiving this certificate will have the knowledge and skills necessary to complete national certification tests in the vocational areas of this discipline.

Requirements for Certificate of Achievement:

- a) Complete Major Field courses.
- b) Complete at least six units at Ohlone College.
- c) Maintain a 2.0 grade point average in Major Field courses.
- d) Provide proof of valid First Aid and CPR/AED certification.

Student Learning Outcomes

1. Administer assessment techniques to gather baseline data with respect to cardiorespiratory endurance, muscular strength and endurance, flexibility, and body composition.
2. Analyze the basic structure of the cardiorespiratory and musculoskeletal systems and how they respond to fitness training.
3. Design an appropriate individual fitness plan considering client health history, goals, and abilities.
4. Appreciate the value and importance of regular fitness activity in decreasing the risk factors associated with chronic diseases.
