- Sub-Committee Chair Reports from:
 - GE – Brenda Ahnholz (letter was attached to email in PDF)
 - DE – Jon Degallier
 - SLOA - Carrie Dameron
- AP Score Changes Discussion (Brenda Ahnholz, Yvonka Headley and Wayne Takakuwa)
 - Kenn Waters moved that a recommendation be put forth from the GE Committee to the Curriculum Committee and to the Academic Senate that Ohlone College approve the acceptance of Advanced Placement exams with a minimum score of 3 to meet area requirements for the Plan A general education. Further discussion clarified that the GE Committee would be responsible for identifying which area(s) would be met by which AP exams and that some areas (notably Cultural Diversity and Information Competency) might not be met by any of the AP exams. Additionally, approval of AP exams to meet general GE areas does not also approve any course equivalencies, so it remains within the authority of discipline faculty to approve the acceptance of AP exams, the minimum scores, and course equivalencies to meet major requirements and prerequisite or corequisite requirements.

From: Counseling Department

To: Curriculum Committee

Re: Proposal for AA General Degrees

Based on a discussion at the September 23, counseling department meeting, and after determining from Stephanie Low at the Systems Office that the following decisions can be made at the local level, the counseling department would like to propose the following changes in regards to the five AA General Degrees (in Business, Liberal Arts, Fine Arts, Natural Science, and Social Science):

1. Adding "Area of Emphasis" to student transcript and degree.
 2. Adding "Area of Concentration" to student transcript and degree.
 3. Allowing students to apply for more than one General Focus AA degree.
